Legend: Missing Out-of-range Skip Date-mismatch

Total QA errors: 333

## Summary by Section and Error Type

| Section                                              | Error type      | Count |
|------------------------------------------------------|-----------------|-------|
| Section A – Household Demographic and SES            | Mssing          | 40    |
| Section A2 – Built environment                       | Incomplete      | 6     |
| Section A2 – Built environment                       | Skip / To Erase | 1     |
| Section B – Asset based equity tool                  | Incomplete      | 10    |
| Section B – Asset based equity tool                  | Skip / To Erase | 2     |
| Section C – KAP                                      | Mssing          | 59    |
| Section D – Activities during pregnancy              | Mssing          | 50    |
| Section E – Health literacy & sources of information | Mssing          | 164   |
| Section E – Health literacy & sources of information | Skip / To Erase | 1     |
